Call for Participation

We invite you to join us in 2nd International Conference on Emerging Practices in Software Process & Architecture (SOFTPA 2023)

This conference is an emerging practice in Software Development life cycle adopted by various software organizations to develop an environment of continuous deployment and delivery within time. There are several software development processes that practice the concept of continuous improvement and automation to maintain the operational stability and smooth flow of software delivery.

Highlights of SOFTPA 2023 include:

- 9th International Conference on Artificial Intelligence (ARIN 2023)
- 9th International Conference on Data Mining and Applications (DMAP 2023)
- 9th International Conference on Image and Signal Processing (ISPR 2023)
- 9th International Conference on Networks, Mobile Communication(NMCO 2023)
- 6th International Conference on Natural Language Processing and Trends (NATAP 2023)
- 4th International Conference on Networks, Blockchain and Internet of Things (NBIoT 2023)
- 4th International Conference on Machine learning and Cloud Computing (MLCL 2023)
- 9th International Conference on Computer Science, Information Technology and Applications (CSITA 2023)
- 3rd International Conference of Education (CONEDU 2023)

Registration Participants

Non-Author / Co-Author/ Simple Participants (no paper)

250EURO (With proceedings)
